Improving Homes. Changing Lives.®

# ENTRY SYSTEMS

## STANDARD FEATURES

### Dura-Tech Jamb

- Durable PVC bonded to Dura-Frame™ jamb for long-lasting protection against moisture and rot
- Available in all paint and stain colors
- Matching brickmould with nail-free attachment for a seamless look
- Optional 4" trimmable brickmould hides gaps between siding and door frame

### Auto-Adjusting Sill

- Z-Articulating Cap Sill® delivers constant protection against leaks, drafts, and insects
- Stands up to wind and water
- No rotting, warping, or deterioration over time
- Champagne sill standard, with optional Bronze or Mill finish
- A continuous sill creates a stronger system and reduces the opportunity for air and water infiltration on sidelite units

### Insulated Core

- Polyurethane foam core fills every void
- Enhances sound proofing
- Protects from heat loss or gain - five times more efficient than a wood door

### Ball-Bearing Hinges

- Reduces door squeak and eliminates grinding dust (black powder)
- Nine available finishes: Antique Brass, Antique Nickel, Bright Brass, Bright Chrome, Colonial Bronze, Dull Chrome, Matte Black, Satin Brass, and Satin Nickel
- T-nuts are used on all wood jambs to prevent hinge screws from stripping, prevent door sagging

### One Piece Mullpost

- Adds strength and ensures your entrance system is storm door ready

# ENTRY SYSTEMS

## PREMIUM FEATURES & OPTIONS

### Premium Glass Frame ST, BF

- Low-profile glass frame that blends seamlessly into the door
- Innovative clip system eliminates screws and caps
- Sealant will not squeeze out, leaving a sticky residue on your door, and does not deteriorate, ensuring a weathertight seal for the life of your door.
- Resists scalloping and warping in severe temperatures and direct sunlight, even when painted dark colors

### Flush-Glazed Glass Frame BF

- Sleek, modern style with no visible frame
- Larger glass surface maximizes natural light
- Provides greater visibility and a welcoming feel that brightens the home

### Adjustable Hinge Plate System ST, BF, PC, PF, PK, PO

- Allows the door to be easily adjusted up/down and in/out within the frame
- Ensures a perfect fit for optimal performance and weather sealing, fixing gaps and door closing issues
- Standard on Smooth Steel and Premium Fiberglass doors

### Advanced Door Edges PC, PF, PK, PO

- Our premium textured fiberglass doors have 4" of engineered lumber on both the hinge and latch edges to keep the door straight and tight against the weatherstripping.

ST - Smooth Steel  
BF - Brushed Smooth Fiberglass  
PC - Premium Cherry Fiberglass  
PF - Premium Fir Fiberglass  
PK - Premium Knotty Alder Fiberglass  
PO - Premium Oak Fiberglass

# DECORATIVE GLASS

## OPTIONS

### Brownstone

Stylish Brownstone can be elegantly integrated into the architectural styles of another era or matched with the simple, sleek lines of today. Beveling is the hallmark of this refined design. Brownstone offers a medium level of privacy.

**6** Privacy Rating

Patina Caming

### Heartland

When you think Craftsman style, you're thinking Heartland. A patina finish and handcrafted, textured glass create a striking geometric pattern reminiscent of Arts and Crafts design. Four glass types create a bright entryway and medium privacy level.

**5** Privacy Rating

Patina Caming

### Mistify Black

Mistify is the playful combination of pattern and texture. The black drizzle pattern is fused to softly textured glass, resulting in a mesmerizing statement piece for any modern entryway and privacy for the home.

**6** Privacy Rating

### Oxford

Oxford's formal pattern of beveled glass, accented with gray shades, is the epitome of traditional design. The nickel caming complements door hardware, light fixtures, and interior furnishings. Oxford provides a medium level of privacy.

**6** Privacy Rating

Nickel Caming

### Regency

The value you place on history makes Regency your perfect choice. Its deeply cut beveled glass and satin nickel or brass finish create a classic design that endures, just like the family treasures that lie within your home.

**6** Privacy Rating

Brass or Satin Nickel Caming

# PRIVACY GLASS

## OPTIONS

### Chinchilla

As touchable as its namesake, Chinchilla's fine lines and organic, fur-like texture create a striking wave pattern when seen from afar. It offers a high level of privacy with the textured glass surface exposed to the inside of the home.

**9** Privacy Rating

### Rain

All that's missing is the patter of raindrops. Rain features a vertical pattern and textured surface that creates the illusion of rain trickling down a window. It offers a high level of privacy with the textured surface enclosed in glass.

**9** Privacy Rating

### Enclosed Blinds

Blinds enclosed between glass give you privacy and light control without dangling cords and endless dusting. Close your blinds for complete privacy and security or open them up to enjoy the outdoors. The levels of light and privacy are yours to control using our easy operator.

**0 10** Varying Privacy Rating

### Color Options

### Simulated Divided Lites (SDL)

SDL doors capture the elegance of traditional divided lites, with added energy performance. Focusing on grids that allow in natural light, SDLs are the perfect complement to any home exterior with their sleek look.

### Contemporary Simulated Divided Lites (SDL)

Contemporary SDL doors create a truly extraordinary front door that will enamor friends and family as they enter your home to create endless memories. Make a statement entry with these wider flat bars, available in 3.5" or 5.125" widths.
